Product highlights

Control Skype from your phone

You can control your Skype functions directly from your handset: access the Skype window, scroll the contact list and/or access the voicemail.

Free Skype calls everywhere

Use your VOIP phone to call via Skype wherever you are. With Skype you can enjoy making free calls all over the world to any other Skype users. Skype, SkypeOut are trademarks of Skype Limited.

Unique roll-up cable

The handset has been designed to allow the neatly rolling of the cable around it.
